

D R I & MONTAGU ACCESS TO PATIENT SERVICES - APRIL 2002

This is a monthly supplement to the quarterly Access to Patient Services document, which should be referred to for a more detailed commentary on the services available. Referral letters which are not addressed to a specific consultant will be allocated to the most appropriate consultant based on subspecialisation interests, workload & waiting times.

URGENT REFERRALS FOR PATIENTS WITH SUSPICION OF CANCER ARE SEEN WITHIN 2 WEEKS
